

## **2013 Grande Dame Induction Tea**

There are so many wonderful women in Memphis. We are so blessed to add three more ladies who have given their lives to improving the world we live in, especially the children.

While honoring these ladies, we must not forget our purpose and that is to help a little girl in dire need or circumstance. Keona Vaughn was shaken when she was 3 months old and she is permanently brain damaged and physically impaired. She would have been a “throw away” child if not for the love and care of Mark and Debbie Vaughn who adopted this remarkable girl. Please donate with your ticket to help this little girl. Adult tickets are \$45.00 and a child under 12 is \$25.00.
